

Becoming Leaders / WinSETT Centre / WISE NL Leadership Workshop

The Canadian Centre for Women in Science, Engineering, Trades and Technology (WinSETT Centre), in collaboration with WISE NL and the generous sponsorship of Suncor Energy, is delivering a *professional development workshop for senior students and early career female engineers, scientists and technologists*. This workshop is derived from the series of *Becoming Leaders* workshops that have achieved positive results in industry, government and academia since 2002.

Becoming Leaders: An Introduction to Leadership Skills and Strategies for Women Engineers, Scientists and Technologists

Saturday, October 22, 2011 - 8:00 am to 4:30 pm
EN-4000, SJ Carew (Engineering) Building, Memorial University

In this workshop you will:

- Increase your awareness of factors that influence leadership success
- Gain confidence in making career and leadership development choices
- Share and acquire useful tips and strategies
- Develop a preliminary action plan to advance your personal leadership potential
- Network with other women experienced in SETT sectors

Among the featured presenters:

- Kim Keating, BEng, MBA, PEng, Technology Lead, Suncor Energy East Coast Operations, WISE NL Past President
- Carolyn J. Emerson, M.Sc., Project Coordinator, WinSETT Centre, WISE NL Past President, and co-author of *Becoming Leaders: A Practical Handbook for Women in Engineering, Science, and Technology*
- Gloria Montano, BSEE, MEd, F.SWE, Academic Program Manager - MUN Faculty of Engineering & Applied Science, Society of Women Engineers Past President, WISE NL President

Registration is limited to 20 participants.

To register, complete the attached form and email to president@wisnl.ca by October 17, 2011.
